To You We

BARBARA R. CHERKAS

Dedicate This Book

JOHN F. LOONEY, JR.

We, the Class of 1962, are dedicating this book to you, our Class Advisors, in endeavoring to recognize and to give acclaim to your kindly guidance and sincere interest in our welfare.

A sense of humor and optimism on your part showed us the folly of being unduly concerned over problems both great and small.

Your chic innovations have made our class functions memorable affairs. Our elections have been efficiently run. In all our class activities you have led us and aided us in our tasks.

It is with deep regret that we close the epoch in our lives in which you both have played such an integral role.

Our Leaders in '62

JOE, DEANNE, GREG, VIV

For the past three years the Class of 1962 has used good judgment in the election of our very capable class officers. Every event which they planned was a great success.

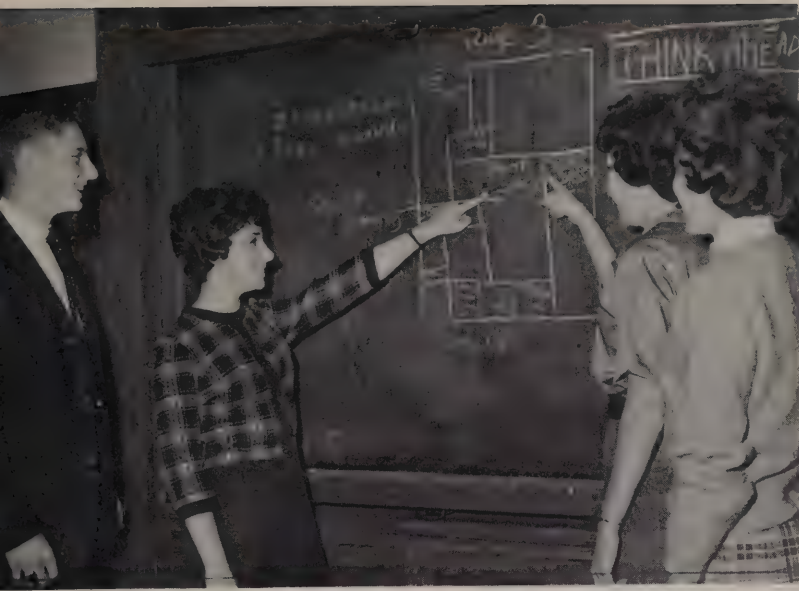

Our sophomore officers and advisory council planned our exciting Sophomore Prom. Those who attended the prom had a wonderful time.

During our second year **Somewhere Over The Rainbow** was our Junior Prom. Because of cooperative efforts of our officers, advisory council, and advisors, the prom was a great success.

In our last and most memorable year we elected very efficient and worthy officers. Our Senior Prom, too, was truly a night to remember.

Thanks to our class officers, advisors, and advisory councils of the last three years, the Class of 1962 will never forget its stay at Medford High School.

In Memoriam

CHARLES A. LEDDY

Last October one of the most dedicated of teachers in the Medford School system, Charles A. Leddy, instructor of English and Assistant Head of the Department of English in charge of composition in the elementary schools, "shuffled off this mortal coil" to quote Shakespeare of whom Mr. Leddy was a great admirer.

Though denied children of his own, Mr. Leddy devoted thirty-two years of his life to the interests of the adolescent, not only in Medford, but throughout the state of Massachusetts by his work in the American Legion Public Speaking project.

Both the students and teachers came to love him because of his sympathetic understanding, un-

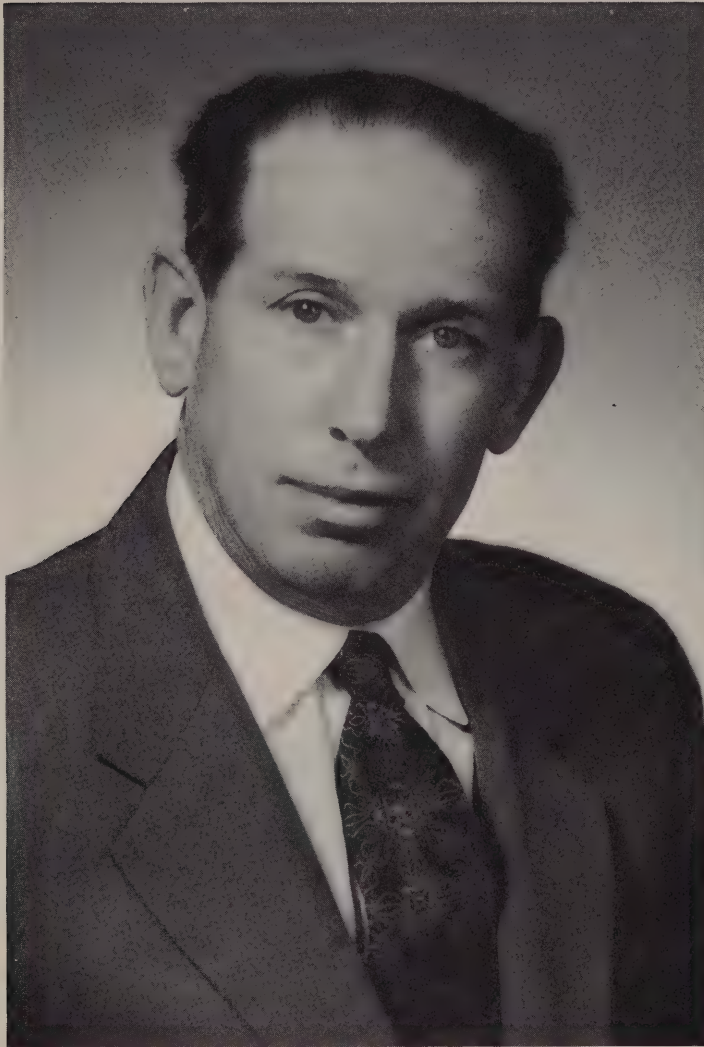

failing courtesy, and brilliance of mind. His service to the Honor Society was highly valued by that somewhat exclusive group.

Over the years Mr. Leddy had become such an integral part of Medford's educational system that his death created a hiatus that will exist for many years to come.

Truly the most fitting tribute to this outstanding personality is contained by again quoting Shakespeare's lines from **Julius Caesar**,

"His life was gentle, and the elements
So mix'd in him, that Nature might stand up
and say to all the world, 'This was a man.'"

Best of Luck

ARTHUR G. TERRILL

At the end of this school year one of our faculty will retire from his work here at Medford High School. His leaving will create a void which will not easily be filled, for his facets are many and his influence upon those with whom he has worked in the classroom and on the athletic field is tremendous. Fellow teachers and coaches admire and respect him; pupils and athletes love the man who has such a gentlemanly manner in all his endeavors.

Arthur G. Terrill, teacher and coach, after thirty-eight years of teaching and twenty-nine years of coaching will retire. He has earned this luxury.

Terrill teams have won nine championships in baseball; countless times they have been close to the top. Mr. Terrill's record in his twenty-nine years as Head Coach of Baseball

is over 310 wins and about 120 losses. This average is well above .700, a phenomenal figure in secondary school competition.

A graduate of Medford High School, Arthur G. Terrill went on to Tufts College, from which he was graduated in 1923. While at Tufts he starred in baseball and football. A chemistry major, he entered the teaching profession; one year in North Attleboro and thirty-eight years at Medford High School comprise the experience of this man.

All the pupils and teachers who have been associated with this teacher and coach join in wishing him the best in his retirement. The place will not be the same without the man who has been so modest and gentle in his daily work and play.

Farewell and Godspeed.

Medford 6 Watertown 14

In their opener, the Mustangs came a cropper. There were many bright spots which bode well for future games.

Frank Sergi, left halfback, ran 30 yards on an end sweep for the Medford touchdown. It was a real thriller.

Larry Center, quarterback, was on target all day with his passes, but the receivers were having their troubles holding onto the ball.

The line was strong for the greater part of the game.

Medford 16 Chalsea 0

The Mustangs bounced back from their initial game defeat to shut out their GBI opponents.

Featuring the Medford attack were Tom Kelley and Frank Storella. The former drove into the end zone from 3 yards out for the initial TD. Frank caught a Larry Center pass and galloped 20 yards for the second score. Dennis Lowthers caught a Center pass for the first conversion, and Frank Sergi converted on the second.

The line did an excellent job in holding Chelsea scoreless. Dave Franceschi was spectacular in his driving defensive efforts.

Medford 20 Somerville 8

For the second game in a row the Blue and White defeated a league opponent, thus sitting on top of the GBIL.

A great team effort made this win possible. Showing the results of good coaching, the Mustangs completely outplayed their adversaries.

Again, Frank Sergi scintillated in his running, scoring two touchdowns. Great blocking and precise timing made his two TD's possible. On his seven-yard end run for a score, he received crisp blocking all the way.

Larry Center on a QB sneak plowed into the end zone for the third score. Leo Makohen caught a pass for a two-point conversion; also, Leo snared nine passes during the game.

A great effort by the line on both offense and defense proved the difference between the two teams.

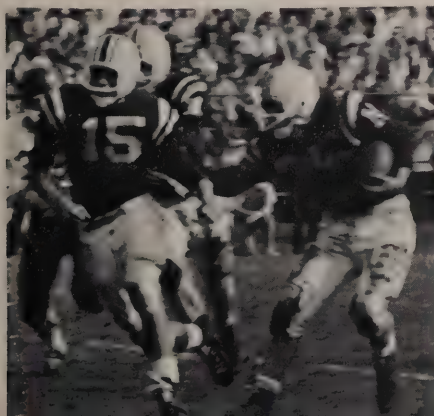

Medford 12 Weymouth 38

After a spirited first half the Mustangs succumbed to their stronger opponents. Mistakes were responsible for the surrendering of four Weymouth scores.

Tom Kelley and Frank Storella were the scorers for Medford. Tommie went two yards into the end zone on a line plunge, while Frank caught a 12-yard pass from Larry Center for his TD.

Skip Jordan was on the receiving end of two long-gainer passes.

FOOTBALL

LARRY ON THE RUN

Medford 6 Newton 6

Medford's ill fortune continued in this game; breaks in favor of the opponents nullified two TD's.

Joe MacDonald broke into the scoring column on a four-yard run for a touchdown. Kevin McCarron and Bob Mastrovita came up with key interceptions which frustrated drives. Bob Picariello played a hard game on defense; he broke through many times to spill Newton runners for losses.

This game was a great team effort.

Medford 12 Haverhill 24

The Mustangs fought their hearts out in this game, only to lose on a long run by the Haverhill star. For three periods it was a 16-12 ball game, but one run nullified a spirited team's superlative effort.

Tom Kelley from the 1-yard line plunged in for the TD; Leo Makohen caught a 6-yard pass in the end zone from Larry Center for the second six-pointer.

Larry Center featured with his 12 out of 20 completions.

The entire team played a fine game against one of the best teams in the state.

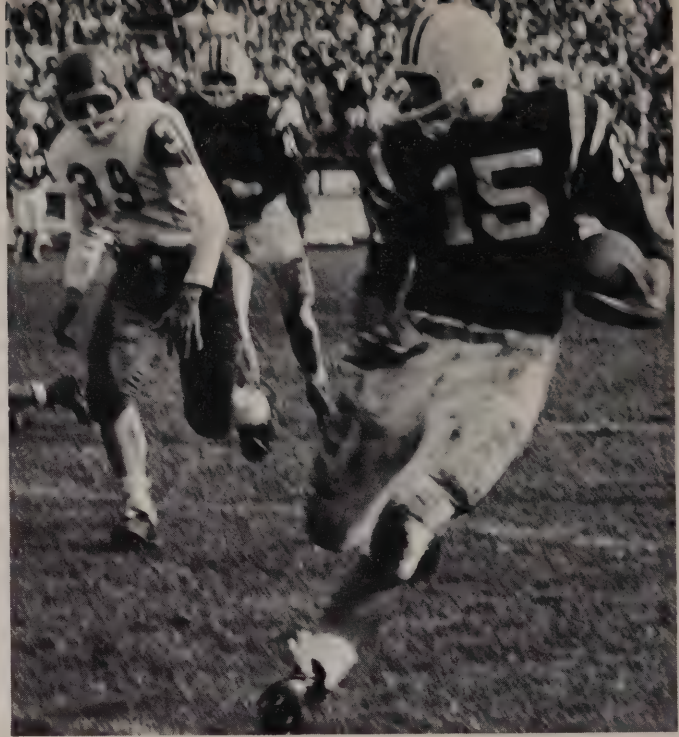

Medford 14 Everett 44

The Blue and White was outclassed by State Champion Everett. However, the Mustangs did not give up without a real fight.

Skip Jordan went over from the one-yard line for a TD as did Larry Center on a QB sneak.

On offense and defense Bob Mastrovita was a powerhouse, smashing many Everett running plays with vicious tackles.

For part of the game this was a dingdong affair, but the depth and stamina of the champions proved too much for the outmanned Mustangs.

Medford 16 Quincy 26

After giving the opponents a first-half, 20-0 lead, the Mustangs came back in the second half and scored two TD's after long marches.

Tom Kelley plunged into the end zone from three yards out to cap the first march, and Frank Sergi made the second on a four-yard pass from Larry Center. Tom and Frank also made the two conversions.

Bob Mastrovita was a power on defense from his center position.

Medford 12 Malden 34

In the traditional Thanksgiving Day game the Mustangs staged a long march in the first quarter, featured by Tom Kelley's running. Tom scored the first TD. Later in the game Frank Sergi made a TD from the 5-yard line.

Defensively, Lowthers and Gasbarro stood out with their recovery of the Tornado fumbles.

Although the team's record of wins and losses was not outstanding, the Blue and White showed real potential at times in outplaying their foes. Against Haverhill they were especially impressive. One bad break spoiled a chance to defeat a very powerful opponent.

In the first two minutes of the game Medford came through with two goals. Captain John Yavanian, center halfback, sparked most of the play and scored on a penalty kick. Bob Russman at left wing aided with two assists. John Boretti had one goal and one assist; Paul Ferla also scored.

Shining on defense were Steve Scibelli, left fullback; Butch Federico, right fullback, and John Corsetti, goalie.

Medford 1 MIT Frosh 3

The Mustangs lost their first soccer game of the season to a powerful freshman team from MIT. Playing the entire game in the rain, Medford was first to score on a goal by Toby Marotta, with an assist by John Boretti.

Captain Yavanian's knee injury in the third quarter hurt the team. Dick Pashoian was not able to play because of a bad ankle.

Medford 2 Watertown 0

The Blue and White footmen made a successful '61 home debut, picking up a second win in three starts.

Terry Ferla scored in the first period on an assist by John Yavanian; the latter played a stand-out game, dazzling the opposition with his fancy footwork.

In the last quarter Marotta scored after a Boretti assist. Scintillating on defense were Steve Scibelli, Dick Pashoian, and Bob Federico.

Medford 4 Watertown 2

Winning its second game in a row, the MHS booters defeated a powerful opponent for the second time. The Mustangs were off and running in the opening quarter as Bob Marotta kicked in a Bob Russman pass to start the scoring. Before the first period ended, Bill Riley, on assists from Jerry Lynch and Russman, scored for the Blue and White.

The Mustangs continued to move along in the second frame as Yav scored on a setup from Boretti. In the third period Medford hit a new scoring high to date as Terry Ferla took a Boretti pass and booted the ball in for the fourth goal of the day.

Russman, Laham, Lynch were outstanding in their ball handling and defense.

Medford 1 Lincoln-Sudbury 2

Medford's second loss was at the hands of a strong team from the Regional 14 high school in double overtime.

The Mustangs scored on a goal by Toby Marotta with an assist by Dick Berg.

John Corsetti playing in the goal was a stand-out. Also starring were John Yavanian and Steve Scibelli.

Medford 0 Phillips Andover 2

For the first time this season the Mustangs failed to score, as powerful Andover Academy won. It was a very well played game, with the Mustangs doing everything but scoring. Playing an excellent defensive game were Steve Scibelli and Dick Pashoian who were hustling all afternoon. Also deserving special praise was Russman.

SOCCER

Medford 4 Belmont Hill 1

Marotta and Russman both had big days as they came up with two goals apiece to pace the soccer team to an easy victory.

With the Hillers leading, 1-0, in the first frame, Russman tied the score at 6:20 on assists from Lynch and Boretti.

Medford wrapped the game up in the third stanza with three goals. At 2:07 Marotta on an assist from Russman put Medford out in front to stay on a hard shot that caught the goalie off balance.

At 12:54 Marotta passed to Russman who came up with his second tally of the afternoon. Marotta got his second goal on assists from Rusty and Greg Bishop.

Medford 0 Exeter 4

For the second time this season the Mustangs suffered a shutout at the hands of a powerful prep school outfit.

To the credit of the Blue and White is the fact that they battled to the finish against this prep champion.

Medford 11 Quincy 0

Returning to its own class for the first time in four games, the Blue and White gave Quincy a real shellacking. Boretti and Ferla had two goals in the romp; Lynch, Bishop, Marotta, Riley, Johnson, Russman, and Petrocelli had singletons. In assists, Marotta (5), Russman (4), and Ferla (2) were the leaders. Also, Bishop, McKeown (2), Kocourek, Howe, Berg, Fazio, Riley, Lynch, Yavanian, and Scibelli chipped in to help the scorers.

This was the high score for Medford in recent memory.

Medford 4 Tufts Frosh 1

In another offensive power display, the Mustangs beat another college freshman team to run their string to three. Two goals in the second and fourth quarters did the trick. Marotta at 3:38 of the second period and Russman at 10:04 of the same opened the scoring. Russman picked up two in the fourth to salt the verdict. Boretti, Marotta, Laham, Yavanian, Russman, and Bishop took care of the assists in this most satisfying of victories.

Medford 3 Browne & Nichols 0

The Mustangs stepped back into the victory column when they took on a powerful prep school team and gave their opponents a lesson.

Scoring in the last three periods, the Blue and White coasted to the win. A goal by Yavanian, assisted by Riley and Boretti, opened the scoring at 6:00 of the second; Bob Russman, with Lynch assisting, got another at 14:55 of the third; the third goal went to Ferla with assists for Russman and Boretti at 13:30 of the last quarter.

Medford 4 Belmont 0

The Mustangs scored another shutout to run the string of wins to four in a game which featured both offense and defensive play of a very high calibre.

Scoring was confined to the second and fourth quarters. The first score came on Boretti's goal, assisted by Marotta, at 4:25 of the second; Russman tallied the second goal in the quarter at 14:25 on a penalty kick.

Fazio dented the goal with a pretty score at 4:15 of the fourth with assists from Russman and McKeown. Marotta ended the scoring at 10:00 of the fourth with an assist from Fazio.

Medford 4 Governor Dummer 2

A perennial prep school champion was the next victim of the Medford juggernaut.

In a very impressive team effort the Mustangs hammered home four goals in defeating their annual rival.

Riley, assisted by Russman, booted home the first goal to get Medford off and running. Ferla and Laham kicked in goals two and three. Marotto, with another assist from Russman, capped the scoring with a very pretty effort.

As in all the recent games, the defense held up to keep the power of the opponent in check.

Medford 5 Quincy 0

Continuing on the shutout trail, the Mustangs walloped their opponents in a convincing manner.

The goals were evenly divided among Fazio, Ferla, Marotta, Laham, and Russman. Russman and Marotta were given credit for assists on the first two scores.

The defense effectively kept the opponents at bay throughout.

Medford 3 Wellesley 0

Annexing their seventh shutout of the season and their third in a row, the footmen of Medford finished a winning season in great fashion. The record showed 11 wins and 4 losses, the last 6 being victories.

Russman scored one goal and Laham two in this finale; Marotta and Russman provided assists in the winning cause.

Deehan, Corsetti, and McCarthy split the duties in the cage during the season and did a superlative job.

Four men finished in double figures for the year: Russman 8-16-24, Marotta 13-11-24, Boretti 5-14-19, and Ferla 9-6-15.

All in all, this season was one of team effort and superlative spirit. Orchids to the winners!

Steve Scibelli sat out this game with an injured eye.

Medford 47**Everett 34**

In spite of a cold first quarter, in which Everett gained a 6-point lead, Medford played a strong defensive game and outscored the foe in the last three periods. The fourth quarter was the big one for the Mustangs. The Mustangs grabbed off 16 to 6 for the opposition.

Six of Brigida's points came in the vital fourth period; he and Harris were the only Medford men in the double-figure column with 10 each. Scibelli and Russman had 9 and 8, respectively. Casullo and Makohen with 7 and 3 rounded out the scorers.

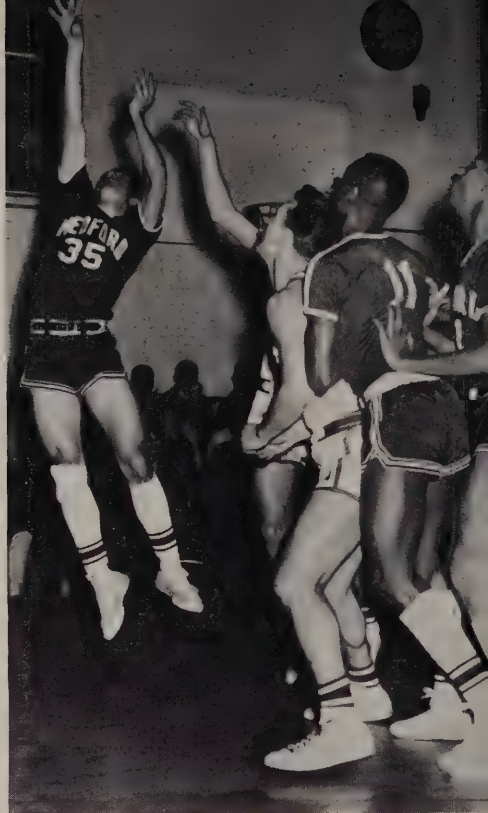

This was a great team effort for the second league win of the young season.

Medford 55**Malden 59**

The Mustang streak was cut short by the initial appearance of Willie Barron this season; his presence and 12 points were enough to spark the Golden Tornado to a thrilling win.

A staunch effort on the part of the Blue and White in the waning moments almost tied the contest; they sank 8 points to fall just short of the tie.

Scibelli, Harris, and Casullo with 15, 13, and 11 were the double-figure men for the Mustangs. Russman and Brigida with 7 and Makohen with 2 were the other point men.

**Medford 65****Alumni 59**

Youth was served in this contest in which the high school team gave the stars of former years a lesson in condition and teamwork.

Harris found the range with 21 points, followed by Scibelli and Russman with 18 and 14.

Medford 71**North Quincy 60**

With all five starters in the double-figure production, the Mustangs ran herd on the opposition. Their offensive output was the best of the season to date for this promising team.

Through the first three periods the Blue and White built a lead of 58-39, thus allowing Coach McGrath to give some of the subs a chance. Obviously, the total could have been much higher had the hot hands stayed in the game.

Casullo (24), Scibelli (15), Harris (11), Russman (11), and Brigida (10) were the big men for the Mustangs.

Medford 50**Chelsea 60**

In the bandbox at Chelsea the Mustangs tasted defeat in a real cliff hanger, which was decided in the third period when the Red Devils outscored Medford by 18-9.

Behind 25-23 at the half, the Blue and White fell 11 points behind in the third. They regained their composure to outscore the opposition in the fourth, but the game was out of reach.

Medford 47

Somerville 41

In the most thrilling game of the season to date, the Mustangs pulled out the decision in the final minute after losing the lead which they had held for the entire game to that point.

Scibelli, Russman, Brigida, and Harris tallied in the last minute to take back the lead and ice the game.

This was a defensive gem for the Mustangs, for the Somerville team had been a high-scoring outfit until this contest.

Scibelli (16) and Harris (14) were the big offensive men for Medford; Casullo and Brigida with 8 apiece were opportunists. The latter was particularly effective on defense and as a play-maker. Russman got his point in the last minute to help the very tense situation.

This was a very satisfactory team victory.

Medford 55

Lowell 35

Another defensive effort was the real reason for this second victory in a row. Allowing only 8 points in the last quarter, the Blue and White ran in 17 to salt this decision in a very convincing manner.

Scibelli and Harris again were the high-scoring duo with 15 and 12. Brigida, Russman, and Patterson had 9, 8, and 7 in that order. Reid got 2 and Casullo and Makohen 1 each.

Medford's invulnerable defense left no doubt from the opening tipoff.

BASKETBALL

Medford 47

Quincy 73

A hot, driving President team left the Mustangs in the ruck early, allowing only 3 points in the first period. Everything that the Presidents shot went in, while the Mustangs took one period to thaw out. Then, the game became closer. To the Mustangs' credit is the fact that they never quit in the face of a team that was hitting over 75%. Harris and Scibelli had 14 apiece.

Medford 81

Revere 56

The shots that Medford had missed in the Quincy game dropped with regularity in this victory.

Jumping off to a first-quarter lead of 20-6, the Mustangs coasted home. In the fourth period the entire starting quintet was on the bench. Harris had a new high of 27, while Scibelli reaped 19. Reid, Russman, and Patterson posted 9, 7, and 6. Deehan (5), Casullo (4), McCarron (2), Locke (1), and Bishop (1) were the other scorers.

Until the last period, the opponents were held to 37 points, evidence of another good job of defense for the Mustangs.

Medford 50

Hot Harold Harris in the absence of Steve Scibelli had another torrid game; he hit for 22 points on 7 floor goals and 8 fouls. Casullo and Russman came up with 10 and 8. Reid (3), Brigida (3), Bishop (2), Makohen (1), and Patterson (1) dumped in the rest.

The second-period margin of 13-7 gave the Mustangs the victory.

Again, this was an example of superb defense and team play.

Medford 30**Malden 43**

After a string of four wins, the Mustangs ran into Willie Barron and Company. In a battle of defenses, which held the scoring to a minimum, Malden ran off to a 12-5 lead in the first quarter. From then on, the game was fairly even, but the damage had been done.

Harris was the only Mustang in double figures; Scibelli hit for 7, Casullo for 3, and Brigida, Reid and Makohen for one.

Medford 55**North Quincy 63**

After a cool first half, in which they fell behind 30-21, the Mustangs rallied for 34 points in the second half, but the early lead was too much to overcome.

Dannie Casullo with 20 was the high Medford man, followed by Russman with 12, Harris 9, Bishop 8, Scibelli 4, and Reid 2.

Again height was the telling factor.

Medford 55**Chelsea 65**

An improved and tourney-bound Red Devil team caught the Mustangs in a cool moment and won by 10. Behind 11-6 after a slow first period, the Mustangs suddenly burst open for a 26-15 margin in the second for a 32-26 lead at half time.

Height was the key to the final two quarters, as Medford time and again lost the rebounds to the taller opponents.

Russman, Harris, and Casullo, with 15, 14, and 12, were the high men for the Mustangs. Bishop, Scibelli, and Patterson chipped in with 5, 5, and 4.

Medford 51**Somerville 62**

In a real heart-breaker, the Mustangs lost to their neighbors. Going into the final period, the Blue and White was leading by a single point, 48-47, after a first-half lead, 33-28. Then, the roof fell in on the locals.

Three of the starters fouled out in the final quarter to give the opponents the break that they needed. The 15-3 final period margin was all that the Red and Blue needed for the victory.

Harris and Casullo tied for high honors in Medford scoring with 15; Brigida came up with 9, while Scibelli and Russman had 5 apiece. Bishop tallied the other floor basket for 2.

The rigors and dangers of the full-court press proved the undoing of the Mustangs as the three starters fouled out.

Medford 64**Lowell 54**

Sophomore Bob Patterson led the way in this crucial victory with 16 points; he sank 5 floor goals and 6 fouls as he played a grand floor game.

Hal Harris with 13 was his usually effective self; Casullo and Scibelli chipped in with 10 apiece; Russman just missed the double-figure bracket with 9. Brigida and Makohen had 4 and 2.

Medford's first-period lead of 8 almost dissolved as Lowell made a gallant stand in the second period. From there on, the Blue and White outscored the opposition in periods three and four.

Medford 55**Quincy 75**

As in the first Quincy game, the Mustangs were slow starting; the score at the half was 20-39. A big third quarter put Medford back into the ball game. Outscoring the opponents, 20-9, the Blue and White made a game of it, but the Presidents returned to form in the final period to take the win.

Harris and Russman were in double figures with 16 and 14. Casullo, Scibelli, and Patterson with 9, 8, and 6 and Brigida with 2 were the other scorers.

This was the last game of the regular schedule; in the league the Mustangs finished with 8 wins and 8 losses. The Alumni game put them over the .500 mark for the season, a real improvement over the last two seasons.

The team will enter the Bay State tourney after the book goes to press.

Joe Ciavardone and Paul McDermott were the big scorers of the opening game of the 1961-1962 season; each had two goals, while the latter also had an assist. Andy Cornella was another big man in the scoring with one goal and two assists. Ed McCarty chipped in with a goal and an assist. Riley (2) and Buckley also had assists.

John Fazio scintillated in the goal with 14 saves.

Captain McDermott fired his team with his two third-period goals; this team effort was outstanding.

Medford 0

Cambridge Latin 4

In spite of the superb effort by junior goalie, John Fazio, who had 21 saves, the Mustangs bit the ice in their second league game. The absence of their captain was a real handicap, for the defense was shorthanded.

Joe Ciavardone hustled throughout the game in an effort to lift the Blue and White; Steve Cashman had many driving shots turned aside by the spectacular Cambridge goalie.

Arlington 2

In a spectacular show of power and stalwart defense, the Mustangs walloped the league leaders and last-year champs in a decisive fashion.

Bob Costello, Ed McCarty, and Joe Ciavardone provided the goals with assists by McCarty and Ciavardone. The winning goal by Ciavardone was an unassisted gem.

Rugged defense work by McDermott and spectacular goal-tending by Fazio, who had 18 saves, spelled the difference in this inspiring victory.

Medford 4

Somerville 7

In a thriller which saw Medford lead three times the number of goals set a new league record.

Steve Cashman, Ed McCarty, Andie Cornella, and Bob Costello had a goal apiece with assists going to Riley (2), Ciavardone, Costello, and McDermott.

Fazio and Serpone shared the goal-tending duties, the latter taking over in the third stanza.

Medford 1

Newton 3

In a sizzler the Mustangs lost to the league leaders. There was no scoring until the third period, when Andie Cornella lighted the lamp, assisted by McCarthy and Riley.

From that time on, the Tigers of Newton blasted away for a three-goal scoring flurry.

Riley had several shots at the Newton goal, but the goalie was up to the task and turned aside all attempts.

Fazio, with 16 saves, spent a busy afternoon in the nets.

For two full periods Medford looked like a championship team.

Coach: Peter F. Brady.

Captain: Paul McDermott.

Manager: Joseph LaMarca 63.

Medford 4**Waltham 2**

In a spirited uphill battle the Mustangs overhauled and defeated their opponents. From a 0-2 deficit the Blue and White battled to their victory.

The leading scorers were Ed McCarty and Billie Riley; the latter performed the "hat trick" with three goals in this thrilling win. The former also contributed two assists to go along with his one goal. Ed tied for the league scoring lead by his efforts in this game.

Mike Gagne, substituting for absent McDermott, did a bangup job on defense.

After a first-period score of 0-2, the Mustangs started at 2:40 of period two and never were stopped.

In addition to the scoring of Riley and McCarty, Cornella and Boretti had assists. Also, this victory proved the value of team play and real spirit.

Medford 1**Waltham 2**

A weak first period put Medford in a hole, from which Ed McCarty tried to rescue the boys with a second-period goal at 8:21. This was the Mustangs' only score of the final game of the league season.

Showing occasional flashes of real brilliance, the Blue and White played like champions on occasion. The record, which was under the .500 mark, could have been much better with a few breaks.

Medford 1**Cambridge Latin 3**

Ed McCarty, assisted by Riley, prevented a Mustang shutout at 15 seconds of the final period.

Two long-range shots provided the margin of victory for the Cantabs in a well-played game.

Fazio had 13 saves. It is unusual that the two winning goals of the game were scored with the victors one man shy.

Medford 1**Arlington 1**

If Medford had to play the best team in the league every week, the Mustangs would be champions, for they again shackled the Spy Ponders.

Fazio, in a thrilling exhibition, turned back 29 Arlington shots. The defense played a great game, and the wings did a great job of back checking all day.

Joe Ciavardone, assisted by Buckley and Costello, lighted the lamp for Medford to give the temporary lead at 1:45 of the second period.

Medford 0**Newton 5**

The ultimate league champions turned the second period into a real rout with all five goals of this rugged game. In the first and third periods the Mustangs played their opponents to a stand-still.

Medford 1**Brookline 2**

The season's record between these two teams was evened at one apiece when the Wealthy Towners scored twice. Andy Corn-

ella, with an assist from Ed McCarthy, sank one for the only tally for the Blue and White.

McDermott was effective on defense, while Ciavardone hustled throughout to keep the Mustangs in the game until the final bell.

Medford 2**Exeter Academy 7**

Stepping out of its class for the purpose of experience and practice, the Blue and White fell before the powerhouse of prep schools.

Ed McCarty, assisted by Riley, and Don Buckley, assisted by Boretti, scored the two goals. Fazio in the nets did a yeoman job with 19 saves.

Billie Riley did a very good job throughout the game, hustling every minute of his time on the ice. Don Buckley was great offensively and defensively. McDermott was rugged on defense with resounding checks which broke up many rushes.

Such a game gives valuable experience for later league games.

Medford 3**Brookline 2**

Cashman, Boretti, and McCarty were the lampighters for the Mustangs. Steve Cashman was assisted by Cornella and Riley on the first goal; the other two were unassisted.

Steve played his usual hustling game throughout on offense and defense. Ed's winning goal came after he stole the puck and split the defense for a great solo effort. John Boretti, who was great on defense, also soloed after taking the puck away and splitting the defense.

Fazio had a relatively easy day with 12 saves, many of which were spectacular. The defense held up well in this victory over the Wealthy Towners.

Medford 2**Somerville 1**

In a great team effort, in which offense and defense shared the spotlight, the Mustangs took another game from their neighbors. Fazio, McDermott, Ciavardone, Buckley, Riley, McCarthy, and company were outstanding.

Young Ed McCarthy, prominent in league scoring, had the two goals; his scoring underclassman teammate, Bill Riley, had two assists, while Cornella picked up one.

Gagne showed promise again in this bonerattler.

Medford 1**Rindge 1**

In a penalty-filled game, the Blue and White managed to salvage a tie with Rindge in the last game of the 1961-62 season. This left the league mark at 5 wins, 7 losses, and 2 ties for a fourth-place finish in league competition, their best in four years.

Assisted by Ciavardone and McKown, Don Buckley lighted the lamp at 8:27 of the second period. It was a neat backhander from the corner of the net. The 1-0 lead held until 9:56 of the period when Rindge tied it up.

The Mustangs can look back with pride upon several games in which they looked like champs. "Wait until next year," chant those in the know.

Without the services of their State Champion shotputter, the Mustangs had to scratch for every available point. The All-Girl Choir, under the excellent supervision of Miss Gudrun Ekman, has been extremely busy in many activities. During the Christmas season the girls went caroling in the corridors and also participated in the Christmas assembly.

They sang at the Lions Club, Book-of-the-Month Club, and the Medford Public Library and competed in the State Music Festival in which they did an excellent job.

Every year the All-Girl Choir puts on shows: this year the girls did **Camelot** and **Sound of Music**. Every girl worked hard and long to make these shows a success. All will admit that it was fun and awarding to each. This year ended with a banquet in May.

On many occasions throughout the school year, especially when there was a prom or other important event, the corridors of the high school were brightened considerably by the handsome and well-done posters and decorations contributed by the Art Club. Under the direction of the club's advisor, Miss MacMillan, the Art Club did an efficient job in bringing the rare and often unappreciated quality of beauty into our otherwise lustreless days. Let's all thank the members of the Art Club for contributing their artistic skills to give an aura of warmth and beauty to our school.

BAND

From the start of our high school years to the final singing of the **Alma Mater**, our band has played a prominent part in our high school activities.

At the football rallies and games the playing of the **Mustang** song was memorably entertaining.

The band has gained praise in their exercises, concerts, the talent show, graduation, and the Massachusetts State Music Festival in which they attained a high rating.

The band has gone on to achieve greater honors in the past year under the able hands of their very capable and accomplished director. This group is indeed a great credit to our high school.

Under the able leadership and guidance of Mr. Marchant, the Camera Club enabled both boy and girl students to participate actively in their hobby of photography, in cooperation with others who share their interest, after school. The Club, in spite of its small membership, has had a full program as any other organization.

This year's officers have worked together to sponsor speakers to arrange a field trip to an interesting photographical plant, and to visit the Boston Common to take pictures of the beautiful Christmas decorations.

The school darkroom provided these amateurs with a place to develop their films, print their pictures, and acquire the most recent techniques in photography. With a place to work in, such as our darkroom, these student photographers have become more skillful and accurate in their hobby.

The Choraleers, founded in 1960, is composed of sophomores, juniors, and seniors taking Mixed Chorus, Male Chorus, or All-Girl Choir. The Choralettes, which are the female members of the Choraleers, highlighted the Sons and Daughters Night of the Medford

Lions Club at the Women's Clubhouse. They played a big part in the success of the Christmas assembly by singing songs from musical shows.

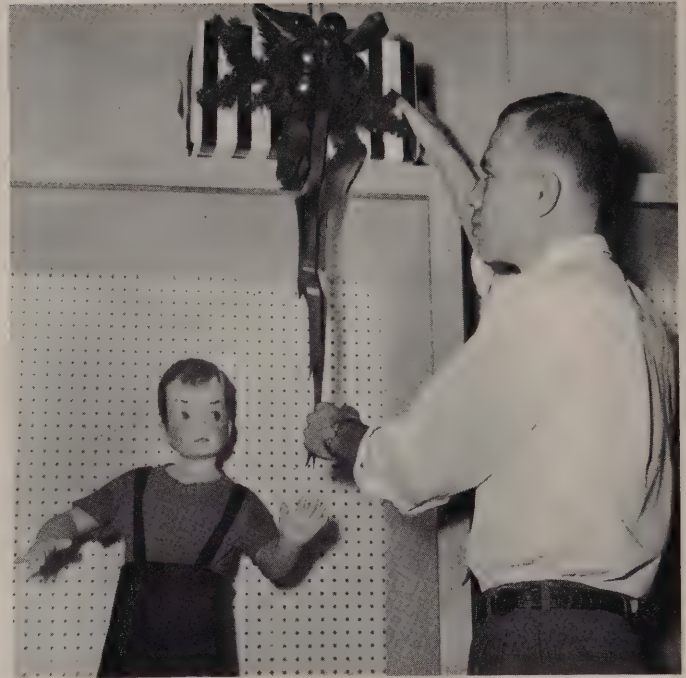

This group was organized and directed by Miss Gudrun Ekman, instructor of music.

Miss Geraci's Distributive Education class is a cooperative business course, composed of selected senior business students. They attend school until eleven o'clock, at which time they are dismissed to go to their co-operative jobs at assigned training centers. While in school, the pupils receive training in selling, displaying, and retailing. At their jobs the pupils have a chance to put their school learned knowledge into practice.

Field trips to department stores, supermarkets, and credit bureaus, social functions, and community projects comprised other activities.

This group sponsored a fashion show for interested girls.

Under the patient and expert guidance of Mr. Zirpolo, teacher-coordinator, the Distributive Education Club, north division, did a commendable job with its displays and projects of community purpose.

Through their teacher, the boys got jobs; they were checked in their work habits and

progress periodically by Mr. Zirpolo.

During their school hours the members prepared themselves for their job and post-school work with classes on display, selling, business English, mathematics, retailing, and various business practices.

Le Cercle Francais was very successful during the 1961-1962 season. With the guidance of its capable advisor, Miss Esther Starr, **Le Cercle Francais** experienced a year full of exciting and enjoyable activities.

The meetings, which were held on the second Wednesday of each month, were open to all juniors and seniors taking French III or French IV with a B or better average. Each meeting was well attended and provided a variety of interests. Our trip to the Museum of Fine Arts, as well as our visit to the opera, was enjoyable for all.

Through the year we enjoyed many informal meetings with speakers who discussed French culture and literature. We concluded this memorable year with a banquet at a well-known French restaurant.

The Future Nurses Club is comprised of girls who plan a career of dedication to the care of the sick and needy, young and old, rich and poor. The main purpose of this club is to show to the girls, through different media, a true picture of nursing and to expose them to the satisfaction received through service to others.

The club opened its season with an intimate tea, serving as an installation of the new sophomores.

With guest speakers from numerous hospitals, movies, and tours of hospitals, the members gained first-hand acquaintance with the rewards of becoming a nurse.

The girls also practiced what they had learned. Doing volunteer work at the Lawrence Memorial Hospital, serving Mrs. McGue as aids during free periods, and taking gifts to the new England Home for Little Wanderers at Christmas were part of their practice.

A final banquet at the end of the year was a highlight of the very enjoyable year under the guidance of Mrs. McGue.

Seniors gained experience in practice teaching at some of the elementary schools, and, for the first time, the Future Teachers Club was enrolled in the national organization.

The Library Staff under the supervision of Miss Hardy was composed of about 25 girls who volunteered their time before school, during study periods, and after school to make our library run smoothly and efficiently.

The girls' duties included arranging books, giving out Library Permit Slips, keeping records of overdue books, and giving information about the books sought by the pupil.

Our sincere appreciation goes to these fine people, for without them and their efforts it would be impossible for the pupils to enjoy the facilities of the Medford High School Library.

The National Honor Society, under the direction of Mr. Paul A. McNulty, was formed to promote better relations between the faculty and students. It consisted of thirteen students who achieved academic honors throughout their three years at Medford High School.

They attended all meetings between the parents and teachers, usually serving as guides. Also there was a Christmas party for the new teachers, presented by the members of the Society. An outing at the end of the school year concluded a year which, in the minds of the senior members, was well worth the effort expended to become a member of this honorary group.

PROTECTIVE DEPARTMENT

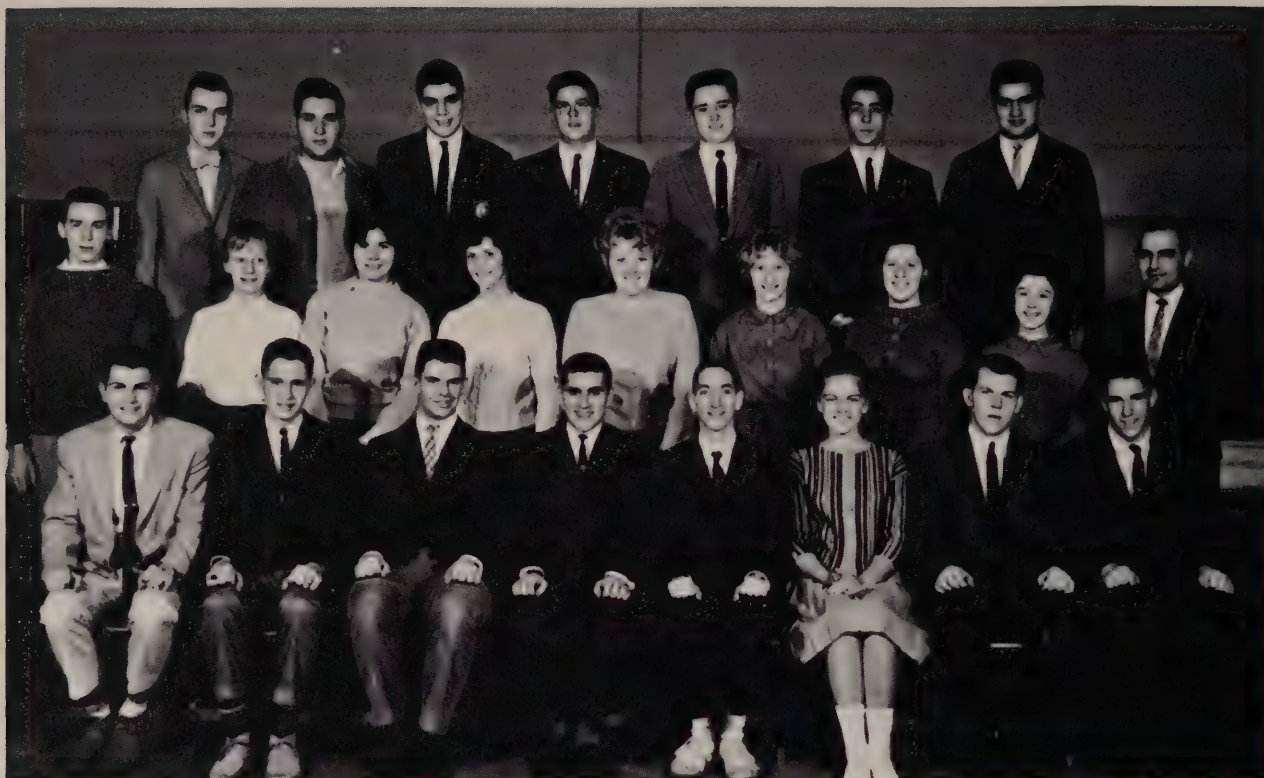

Advisor John A. Ricker, Jr.

Under the supervision of Mr. Ricker, the Protective Department has done an excellent job. Students were assigned to various strategic locations throughout the school. Their job was to prevent students from entering closed buildings, to maintain orderly conduct in the corridors during recess, to direct visitors to classrooms and offices, and to help lost students to locate their rooms.

This year has been the best in the history of the Science Club. The main purpose of the club is to instill an interest in the sciences: chemistry, physics, and biology. Throughout the year the club has gone on various field trips, one to Avco Electronics, and have had many interesting speakers. The senior club members also aided in the Science Fair. This has truly been a proud and profitable year for the Science Club.

SENIOR ADVISORY COUNCIL

The Senior Advisory Council is composed of the members of the Class of 1962 who have been either sophomore or junior officers. Also, Senior class officers and runners-up are members of this group. Then one member from each homeroom is elected to the council. These pupils, representing the Senior Class, decide on such issues as the details of the Senior Prom, the Senior Reception, the Class Banquet, and the program of Class Day. Under the direction of the advisors, the council satisfactorily accomplished the duties of the year.

STUDENT CABINET

The upper house of the Medford High School Student Council resembles the U. S. Senate. It is composed of the presidents of all recognized school clubs, Senior Class officers, Junior and Sophomore Class officers, president and secretary of the Vocational School Student Council, president and secretary of the House Delegates, and heads of school publications. The Cabinet, which met during class periods, because the clubs held meetings during assembly periods, was under the direction of Mr. Higgins for the year. Under his guidance the Student Cabinet dealt with many urgent school problems and made important decisions for the benefit of the school.

But.....We've ALWAYS had
it at the ARMORY!

Vice-President	Arthur Fagan
Secretary	William Trepaney
Treasurer	Henry Kozwyk
Advisor	Pasquale Tramontozzi

This group is the highest ranking student organization of the school and is recognized by the administration as the official voice of the student body. Membership is eagerly sought by most juniors and seniors. The council, under the guidance of Mr. Tramontozzi, had as its main objective to promote the welfare of the student body and of the Vocational High School. This group discussed projects and activities referred to it and made recommendations to the Director. For seventeen years the council has effectively supervised the lunchroom, eliminating the necessity of constant faculty supervision; it also has been active in the promotion of assemblies, senior banquets, and special projects.

A junior and a senior from each department are elected by their class to be representatives. The council elects four officers. The President and Secretary are members of the Medford High School House of Delegates; the Vice-President and Treasurer are on the Student Cabinet.

VOCATIONAL STUDENT COUNCIL

The International Relations Club was formed at Medford High School in November, 1961. Its purpose is to inform students about changing situations in the world, national and international in scope. A need for such a club is all too evident since we should not turn away from world problems. We must approach such problems with an open mind and thus be better able to understand and inform others about them.

This club meets bi-monthly and engages in debate and panel discussions, presents individual reports, views films, attends lectures, and, whenever possible, plans to have outside speakers present viewpoints open for discussion.

Under the expert and patient guidance of Mr. John Hardy and the assistance of Mr. Joseph Valeriani, the officers of the club have had a very successful year, for they have planned and run the meetings in a very capable manner.

To our advisor and his assistant we give our heartfelt thanks for making it possible to institute and make successful this fledgling club of such importance in the lives of those who belonged.
